Participation Certificate – InventX 2025

This is to certify that **Labish Bardiya**, a student of **JK Lakshmipat University, Jaipur**, participated in InventX 2025 held at IIT Gandhinagar. The InventX programme, an initiative supported through a generous donations by the Maker Bhavan Foundation, USA and Alkyl Amines Chemicals Limited, is an intensive summer programme in inventing, which was held during the period May 28, 2025 to July 4, 2025, where 29 students from 24 different engineering & design institutes across India participated in six weeks of training in ideation, innovation, intellectual property understanding, protection etc. at the IIT Gandhinagar premises.

Labish Bardiya was involved in the invention related to the **WEARABLE SYSTEM AND METHOD FOR MONITORING AND ASSESSMENT OF SLEEP BRUXISM.**

With best regards,

Prof Madhu Vadali
Coordinator, Inventx @ IITGN
